Katy Perry Looking Hot On Stage

What ever Katy Perry wears it always looks HOT... Katy was giving a performance in Times Square to promote the new 2011 VW Jetta in New York City, NY on June 15 and was wearing a very tight baby blue dress with pink palm trees.

Just look at them sexy legs.

I still cant beleive that she dates Russell Brand.

Katy Perry will be having a special concert in The Bahamas, click [here](#) for more info.

Miley Cyrus has not long turned 17 and she is really starting to show her wild side, infact I think it is a little too much.

Miley Cyrus has one hot sexy butt, toned legs. You can see that she works out to keep that body looking good.

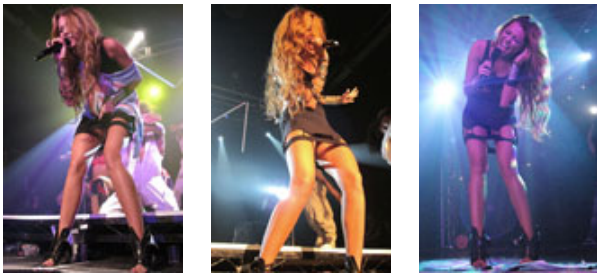

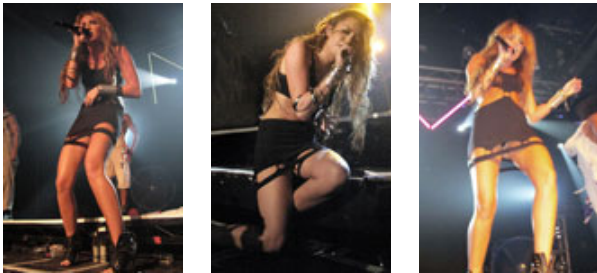

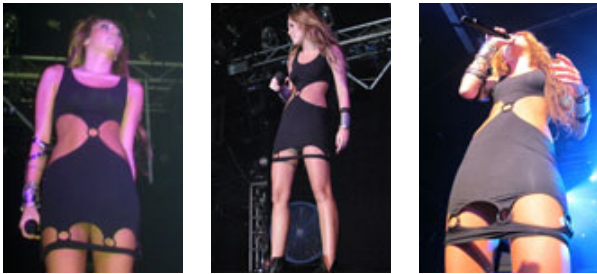

You can even see Miley Cyrus giving one of the dancers a kiss on the lips..

Sandra Bullock and Scarlett Johansson Kiss

06/07/10

[Jason](#)

[Sandra Bullock](#) and [Scarlett Johansson](#) Kiss.

It has not been that long since Sandra Bullock split from her bad husband Jesse James who cheated on her. The two beauty stars were both on stage when [Sandra Bullock](#) grabbed [Scarlett Johansson](#) after trying to flirt with her and gave her a whopper of a kiss. After the kiss Sandra Bullock said...

“Now that we have done that, can we please go back to normal - because therapy is really expensive. Go back to making fun of me, I don't care, it's time to get back to normal.” ”

Now, it was just in January that Sandra Bullock gave Meryl Streep a kiss on stage.. So it looks like Sandra might be swapping to the other side..

Sandra continued to say...

“Well, since Ryan was working, I wanted to be here in his place when you guys won Best Kiss.” ”

Scarlett's reply was pretty good... "Right... well... I thought you should have won... it was a great kiss."

I have to take my hat of to Sandra... she is a great star and a great person and doesn't really care what others think...

Demi Lovato Dumps Joe Jonas

05/25/10 [Jason](#)

Demi Lovato Dumps Joe Jonas.

Well, I was kinda of a mutual split. Joe Jonas, who has dated Taylor Swift and Camilla Belle said...

“ "Demi and I knew going into our romantic relationship that it may not be an easy one. I realise over the time we have shared together that I feel I care more about our friendship right now. It was my choice to break-up, but I love her as a friend. She's been there for me when I needed her. I will continue to be her friend and be there for her." ”

The famous duo reportedly met on the set of "Camp Rock", a kids Disney movie. Rumors had been circulation for a while that Joe Jonas had dumped Demi Lavato over the phone, but Joe insists that did not happen.

Demi Lavato said... "He is my first serious relationship... He knows me better than I know myself, and I know him better than he knows himself."

I am sure it is one of many Demi....
